

### 602180 (EVP16D)

Vacuum Packer, 16 m<sup>3</sup>/h, sealing bar 410mm, table top, digital display

## Main Features

- Unit pre-arranged to be connected to an inert gas system.
- Table-top vacuum packer with oil lubricated vacuum pump.
- Vacuum level control through high-precision, absolute-type vacuum sensor, which does not require calibration.
- Pressure chamber made of constant thickness, hydroformed, stainless steel with rounded corners for easy cleaning.
- Sturdy, transparent PMMA (plexiglass) lid with rounded edges; opens automatically at the end of the cycle.
- Control panel, resistant to liquids, humidity, dirt and dust.
- 10 editable user programs (vacuum, extra vacuum, sealing time, gas percentage).
- 1 vacuum cycle for jars/containers.
- Automatic warnings if food needs cooling down (hot), failure in the packing process, gas missing, oil change.
- Pre-arranged for external vacuum packing in containers by connecting a specific pipe to the air extraction nozzle (available as spare part).
- 3 PE filling plates included.
- Sealing bar 410 mm, easily removable for cleaning.
- Adjustable sealing time 0.1 to 6 seconds.
- Specific pump oil cleaning cycle (H2Out).

## Construction

- Entirely constructed in 304 AISI stainless steel.
- Easy access for service through hinged opening of the body.

## Optional Accessories

| PNC Code                 | Description                                                                                           |
|--------------------------|-------------------------------------------------------------------------------------------------------|
| <b>Other accessories</b> |                                                                                                       |
| 650241                   | Inclined shelf to vacuum liquids, 400mm (for models with 410mm sealing bar or multiples)              |
| 650243                   | Bluetooth printer for 50x60mm labels, display in English or Italian. To be managed via dedicated app. |
| 650244                   | UK power cord (2m) for vacuum packers                                                                 |
| <b>Trolleys/tables</b>   |                                                                                                       |
| 650242                   | Stainless steel trolley 570x630x700mm (H)                                                             |
